Why Formally?

Formally is a clear and simple solution to completing and managing immigration applications. We built Formally to empower applicants and attorneys alike by saving valuable time. Less time spent on paperwork leaves more time for what matters – whether that's representing clients in court or preparing your best case. Formally's securely-encrypted digital portfolio helps you manage your documents anytime and anywhere.

!! NEED CONTENT

Easy to use.

Formally is designed to be accessible, regardless of your comfort level with technology or the language you know best. We will explain the questions one by one, giving you the context you need to complete your application quickly and accurately. Take a look at our demo here.

In the age of social distancing, Formally empowers migrants to prepare their case in their native language remotely. Formally allows people to complete case forms and organize documents from any device. This product is a must-have for attorneys and nonprofit organizations!

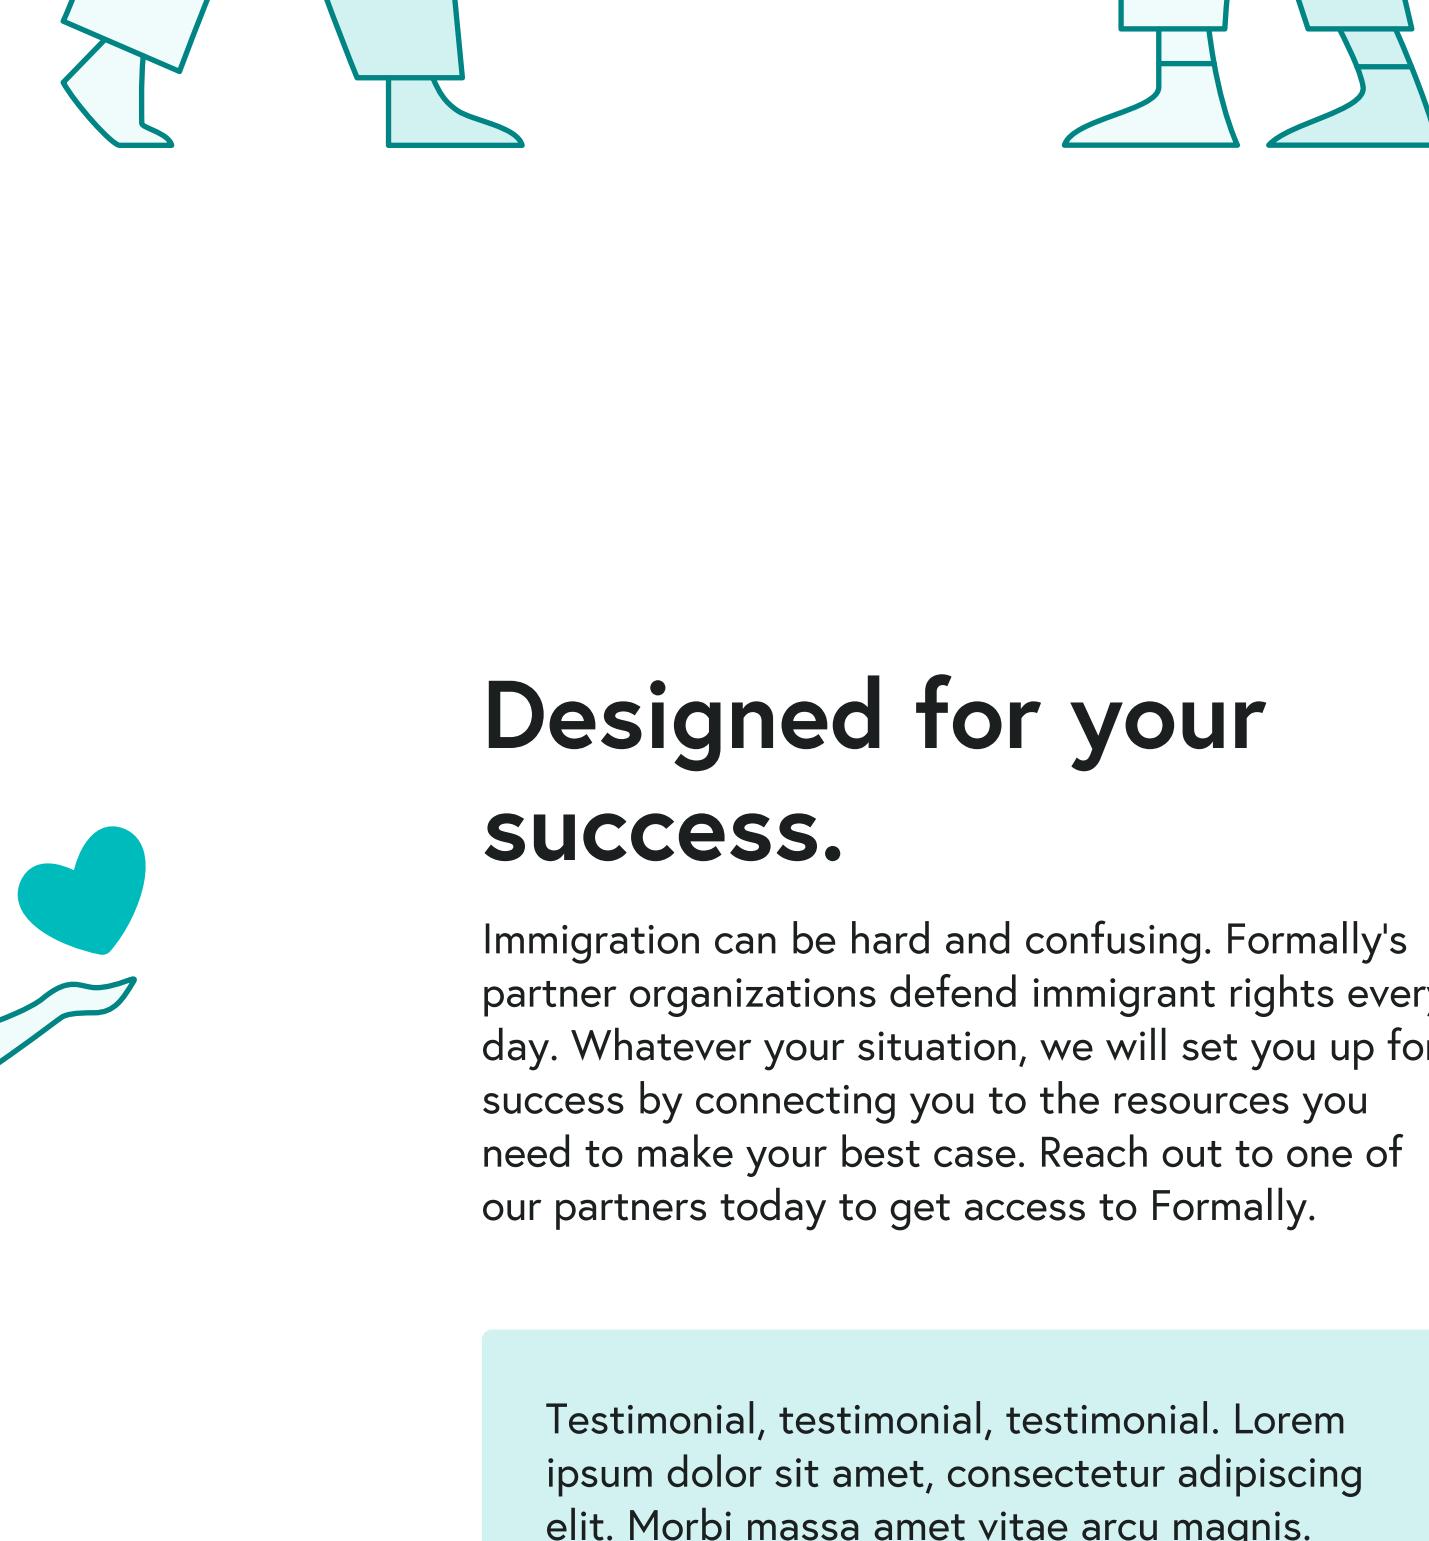

DANIEL
Attorney, National Law

Simple and secure.

We understand how sensitive asylum application information is, and we will never share your information with third parties. We encrypt your responses to make sure your data is secure. Your privacy means a lot to us.
